

# MeetMax Samples

- The following samples show you examples of how MeetMax event registration sites can be designed.
- If you are working with a designer, we can take a css file from the designer and implement the design within MeetMax; you then have the tools to keep the content current without requiring additional support from your designer or web hosting firm.
- Or, you can use one of our standard templates.

The World Summit unites the universe of researchers, industry leaders, funders, medical philanthropies, policy-makers, advocates, educators and regulators to chart the future of this branch of medicine.

## Who Should Attend?

The comprehensive, multi-track program covers advanced science, commercial perspectives, disease progress reports and in-depth reviews of policy, law, ethics, regulatory issues and global

## 2010 CONFERENCE OVERVIEW

Join us in New York City, New York on October 11-15, for the 2010 Summit, the preeminent gathering for the global community. This networking event brings together researchers, industry leaders, policy-makers, regulators, patient advocates, legal experts, investors and philanthropists to illuminate the critical issues and chart the future.

2010 marks the 5th annual Summit and the 16th annual event produced by the Institute, a 501c3 non-profit advocacy organization dedicated to uniting, educating and empowering the medical research community. The 2010 Summit is presented by the Policy Institute and hosted by several major universities.

## DAILY AGENDA AT A GLANCE

The Summit program agenda is strategically designed to unite the international community and provide both a focused and orbital, state-of-the-art view of the expanding universe. This year's diverse 3-day agenda will include morning keynotes and plenary discussions, roundtable lunch conversations with experts, concurrent science, industry and society tracks, intimate focus sessions and private 1-on-1 meetings intended to meet the needs of all Summit attendees.

## PLENARY SESSIONS

These visionary sessions are carefully designed to unite all attendees of the 2010 Summit within one grand ballroom of the Ritz Carlton to discuss the latest world happenings in research, business, policy, law, ethics and advocacy—providing the essential 360-degree view of the field. The plenary sessions set the tone of the conference and serve as a platform to catalyze, lead and inspire conference attendees. 2010 Plenary Sessions are scheduled for each morning of this year's three-day event.

## SCIENCE SESSIONS

The 2010 Summit science track is designed for the professional scientific research community. Science presentations will cover a broad range of topics.

## You are going to Barcelona, Spain!

Oct. 6-10, 2007

Congratulations! Thanks to your hard work, top-notch results, and winning spirit, you are headed for Fun in the Sun! Your Company wants to show its appreciation for your efforts by treating you and your guest to five days and four nights at the Hotel Arts Barcelona. Join us to experience why Barcelona is the grand amphitheatre facing the Mediterranean Sea. Or you can stay at the Marriott Hotel.

**Please read through this Web site before you submit your registration.** You will find important details on all aspects of the program, including airline reservations, accommodations, and activity options. If you are considering bringing your child/children, please read the corresponding section thoroughly.

**The registration deadline is Friday, Aug. 24.** While every effort will be made to accommodate your activity requests, space is limited and reservations will be on a first-come, first-served basis. If you wish to participate in certain activities with friends, be sure to check with them before you sign up.

Upon receipt of your registration, you will receive a confirmation e-mail from your Fun in the Sun Registration Team. Within five business days, the Fun in the Sun Air Travel Department will contact you to discuss your flight arrangements and make any necessary changes. You will be ticketed after you have approved your flight itinerary. Note that air travel changes cannot be accepted via the online registration system.

To make changes to your registration after you submit the form, please follow the instructions in your confirmation e-mail. You can make accommodation and activity changes online for yourself and your Hosted Guest until Friday, Aug. 24. **Fun in the Sun, get ready for Barcelona!**
